

Cabin & Area Information

Located on the Little Tennessee River, with beautiful mountain and river views right from your porch swing. Also duplex COTTAGES across the road from the river with river views and river access.

There is a lot to do here in Oak Grove. We are located 10 miles north of town (Franklin, North Carolina) on 28 North. An area known for its beautiful riverfronts, mountain views and famous gem mines.

You can fish, swim or float down the river on a tube or raft. If you are a little more daring, you can book a white water rafting tour anywhere from Nantahala to Sylva (20 miles). Not far is The Great Smoky Mountain National Park with its lovely trails and waterfalls. Massive waterfalls grace many areas of the Highlands and Cashiers! The Cherokee Indian Reservation, Harrah's Casino, Great Smoky Railroad, wildlife viewing and hunting. You will also find golfing, horseback riding and snow skiing, readily available. Antiquing is very popular in this area and antique stores are abundant with take-home treasures.

Cottages and Cabins are fully furnished with linens, full kitchens, air conditioning, Satellite/TV/DVD, CD player, microwave, gas logs, VCR, grills, fans, picnic tables, parking area and central washer & dryer. Private, but not remote, we are easily accessible.

Our authentic 1800's log cabin is just that. Originally from a small farm in Virginia, it has been refurbished with completely updated kitchen and bath amenities. This cabin has a full kitchen and bath with a clawfoot type bathtub, loveseat, gas logs and upstairs is a full bedroom with a queen size bed. In addition, there are 2 twin foam floor beds which children love! The porch with its lovely swing and rocker, overlooks the river and the mountains.

Perfect for honeymoon, romantic get-a-ways, or family reunions. Cottages and cabins can accommodate two to six people comfortably. Open year round. During peak season there is a two night minimum stay on weekends.

The park model log cabin is light and decorated in a wildlife motif. Two bedrooms, one with a queen bed and a smaller bedroom with a full futon. There is also an additional full futon in the living area. This cabin has a full kitchen and bath and a spacious porch with a swing and cafe table overlooking the river and great views.

Our duplex cottages may not be as eye catching from the outside but inside they are spacious (800 ft.) fully and comfortably furnished. One and two beds with queen sofa beds/bunk beds available. You may still enjoy the river with picnic table. Riverfront outdoor furniture area with grills and a fire pit.
